

How to contribute in ETHMS Sale?

There are 2 ways to contribute the ETHMS

One is through an existing ethereum wallet and one is through the ETHMS wallet.

STEP LISTED BELOW :

A. EXISTING ETHEREUM WALLET

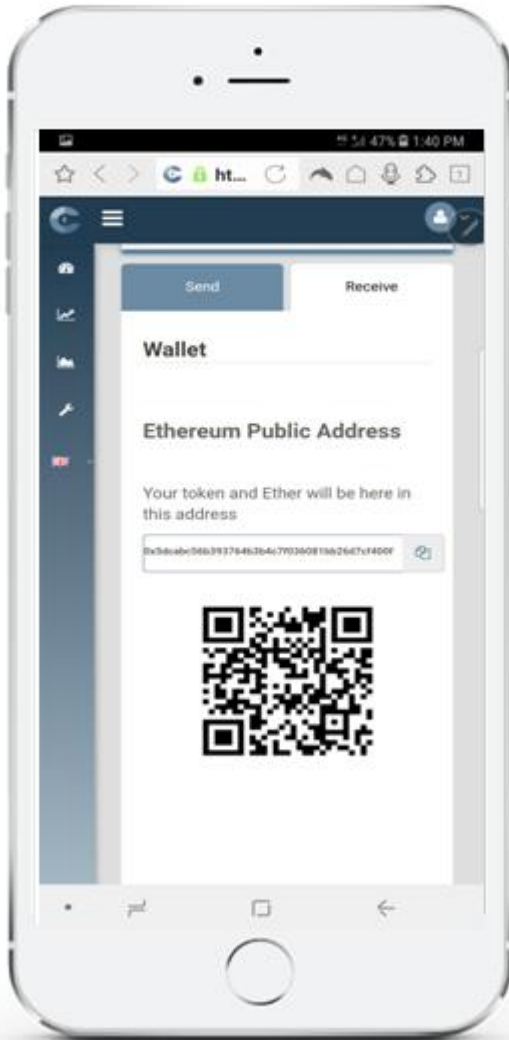

1. Create an Ethereum wallet(myetherwallet) or using existing wallet
2. Deposit Ether into wallet
3. Send Ether to Contract address for ETHMS provided
4. ETHMS will be sent to wallet address that Ether was sent from

DO NOT SEND ETHER FROM AN EXCHANGE WALLET, YOU MAY NOT RECIEVE ETHMS AND WE ARE NOT LIABLE

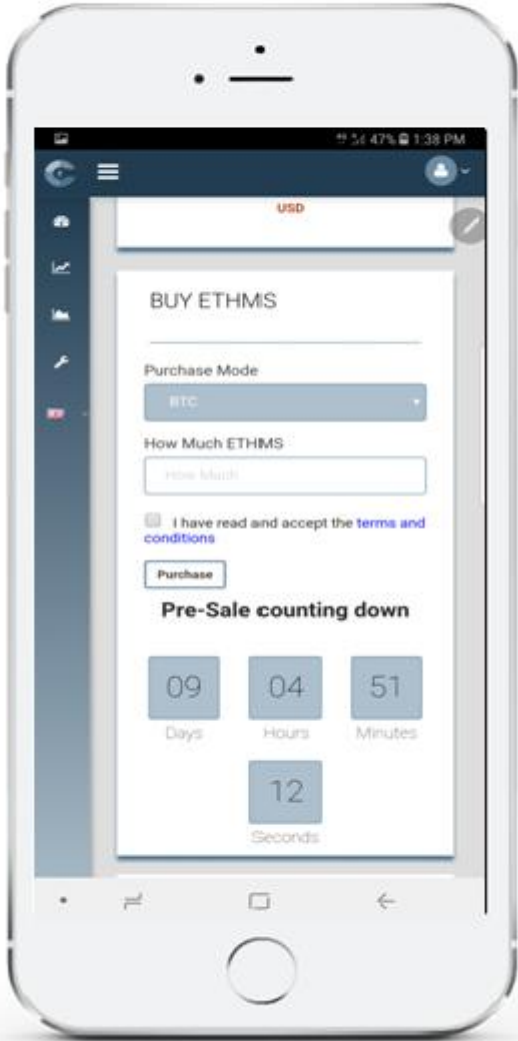

B. ETHMS WALLET

1. Go to URL wallet.ethms.io
2. Sign up for an ETHMS wallet
3. Click verification email
4. Login to ETHMS wallet
5. Go to purchase ETHMS box and choose whether to buy using (a)BTC or (b)Ether.
 - A. If choose BTC, then type how many ETHMS you want to buy, click accept the terms and purchase. After a box will open stating how much BTC to send and to what address.
 - b. If want to use Ether then you must first send Ether to your ETHMS wallet. Then also type how many ETHMS you want to purchase, click accept the terms and purchase. It will convert the needed amount of Ether in your wallet to ETHMS.
6. Check ETHMS wallet and you will now see your balance of ETHMS inside
